Re: Oral Ex Parte Presentation in WT Docket No. 05-7

Dear Ms. Dortch:

Yesterday, Steve Altman, Gina Lombardi, Larry Hartigan, Michael Meece, and I met with Chairman Kevin Martin, Heather Dixon and Fred Campbell regarding the above-referenced proceeding concerning QUALCOMM's Petition for Declaratory Ruling.

In this meeting, we presented background information on MediaFLO and the content under consideration for inclusion on the MediaFLO network. We also reiterated the need for a ruling on QUALCOMM's Petition for Declaratory Ruling in the very near future. We emphasized that in order to launch the service as planned in October 2006, QUALCOMM needs the Commission to issue a ruling on the Petition for Declaratory Ruling expeditiously. We explained that QUALCOMM has spent considerable sums of money on the launch of MediaFLO, but until the Commission rules on QUALCOMM's Petition, QUALCOMM cannot finalize its plans for the launch. Accordingly, we urged the Commission to issue a ruling to grant QUALCOMM's Petition in the very near future.

Respectfully submitted,

/s/ Dean R. Brenner
